IFCG Activities

Permits Preparation

Many years of practice and expertise in preparing permits for import and export of different products into Russia. Assistance in getting: licenses, EAC certificates, notifications and other permits of Russian state bodies.

Legal Support

Representation in court proceedings. Filing appeals and complaints against decisions and actions of customs (both to court and to superior customs authorities).

Risk Mitigation

Advisory services in Russian and EAEU customs law and customs practice. Audit of foreign trade operations, due diligence of commercial documents. Elaboration and implementation of appropriate import/export algorithms. Minimization of customs payments. Determination of customs codes (HS and TNVED). Binding tariff rulings.

Full Customs Clearance Support

Full range of services in customs clearance: preparation of permits and other necessary documents, calculation of customs payments, filing customs declarations, representation at customs, communication with terminals, carriers and warehouses, delivery services.

1

“Turnkey” Customs clearance

A comprehensive service, including the preparation of all necessary documents (including permits), filling out a customs declaration, filing documents at customs office, etc.

2

Performing specific customs operations on your behalf

For example, we can fill out and file customs declarations, represent you during customs examinations, etc.
